

Delivery Information

Thank you for selecting Johnston's Evergreen Garden Center as your supplier of healthy, hardy plants. Because some plants are rather difficult to transport, we offer a delivery service for garden center purchases.

In order to keep the delivery cost at a *minimum*, there are several guidelines we must follow. Please read the following list carefully.

- (1) The local delivery *base charge is \$45.00 and includes a service area of:
Erie, North East, Harborcreek, Fairview, and Millcreek.
The delivery *base charge to Lake City/Girard and Edinboro areas is \$ 55.00.
(Delivery to other areas may be possible. Please inquire at the office.)
****In addition to the delivery base charge, larger trees may have special handling charges associated with them. Ask one of our sales staff for more information.***
- (2) ***You need not be present to receive a delivery.***
Please specify on your order where you wish your plants to be placed and use a stake in your yard to indicate where you wish larger trees.
- (3) ***Thursdays and Fridays are our usual local delivery days but are subject to change without notice.***
Due to the amount of shipments to and from the nursery, we are unable to pre-determine the day local deliveries will be made. (See #2)
(Note: Non-local deliveries are planned for on an individual basis and might be scheduled for delivery on any day.)
- (4) ***We are unable to give a specific time of delivery.***
To maintain a low delivery cost, orders must be accumulated and shipped at one time. This requires a variable amount of space on our truck and an inconsistent amount of loading and unloading time which makes a prediction impossible. (See #2)
- (5) ***It is very difficult for us to call you just prior to delivery.*** (See #2)

Again, we thank you for your patronage and strive to assist you to the best of our ability.

Sincerely,
Johnston's Evergreen Nursery, Inc.
